

Save Our Hospitals

The provincial government is forcing Niagara's hospitals into drastic cuts that threaten to close the emergency rooms and major services in Port Colborne, Fort Erie and Niagara Falls.

We can stop these cuts. But we must make ourselves heard now. The decision is likely to be made by October.

Come out to your town hall meeting and **SAVE OUR HOSPITALS!**

Port Colborne – Thursday, September 11, 7 pm at the Roselawn Theatre, 296 Fielden Ave.

Niagara Falls – Monday, September 15, 7 pm at St. Paul's Lutheran Church, 5585 Victoria Ave.

Fort Erie – to get local petitions please call Mary Millen at 905-382-5910. A local Town Hall meeting is being planned by the Fight Back Committee and details will be announced soon.
