

Thanks very much for taking a sign in support of the ***Hamilton Stop the P3's Campaign*** to keep our hospitals public.

If you have any questions or if we have put this sign on your property in error, you may reach us at 519-xxx-xxxx.

Our sign crew will take down your sign within a few days of the end of the campaign which will be the xth of March 200x. (Let us know if you want to keep your sign up after the end of campaign so we don't remove it.)

Thanks again, Hamilton Health Coalition
