

Invitation to Ed Holder to attend the All Candidates Meeting on Healthcare

Sent from Jeff Hanks, co-chair of the London Health Coalition

All candidates meeting on healthcare:

Dear candidates,

I am inviting you to take part in an all candidates meeting on healthcare April 18, 19, or 20th tentatively from 0700pm to 0900pm (Preferably Monday the 18th due to availability of venues). Healthcare has polled frequently as the main issue in the federal election and our group, the London Health Coalition would like voters to be able to make an informed choice on this issue.

The format will be that each candidate will get a few minutes to outline their party's platform on various healthcare issues. You will get a chance to respond to the other candidates' platforms and have a chance to answer questions posed by the London Health Coalition and the public.

Mental health, home care, wait times and the hiring of more doctors and nurses are potential topics as are your thoughts on the future of health care in Canada.

The London Health Coalition is a non-partisan group that works with the Ontario Health Coalition and the Canadian Health Coalition to provide to member organizations and the broader public ongoing information about their health care system and its programs and services. Our primary goal is to empower the members of our constituent organizations to become actively engaged in the making of public policy on matters related to health care and healthy communities. The London Health Coalition has a range of members comprised of senior's groups, patient advocates, members of the public, health professionals, unions, registered nurses and social and health service agencies.

Your participation in this event would be greatly appreciated. Please inform us of your intention to participate as soon as possible. Please contact me Jeff Hanks co-chair of the London Health Coalition at your earliest convenience. My phone number
