Sault Ste. Marie's New Hospital P3 Privatization

—NEW INFORMATION RELEASED—

New information from the McGuinty government is available about the new Sault Ste. Marie's hospital deal. The deal is clearly a P3 privatization project, the deepest and most extensive hospital privatization project in Ontario. Join us as experts go through the new information, discuss the implications for our community, and we talk about what we can do to keep our new hospital public!

**7PM TUESDAY APRIL 10TH
