

**✓ VOTE MEDICARE!** Health care for people not for profit

**Tie one on....**  
**...on your front door**  
**...on your tree**  
**...on your car**  
**or use your imagination....**

Leading into the election, help show our elected officials that we're voting for *public non-profit* health care. Ask them to support these commitments:

### **7 COMMITMENTS FOR CANDIDATES:**

- ✓ Strengthen services in *non-profit* hospitals and clinics: reduce wait times within the public system.
- ✓ Recruit and retain more health care staff in the public system to fix shortages.
- ✓ Stop for-profit privatization of clinical and support services in hospitals.
- ✓ Protect & expand public non-profit homecare, community health centres & long-term care facilities.
- ✓ Keep our community hospitals vibrant: protect local hospitals and services.
- ✓ Ensure stable and sufficient funding to provide for our communities' healthcare needs.
- ✓ Enforce the Canada Health Act and stop two-tier health care: health care should be based on need, not wealth.
